MEMORANDUM OF POINTS AND AUTHORITIES

I.

INTRODUCTION

4 Section 331 of the Bankruptcy Code provides that an estate's professionals are entitled to
5 submit applications for interim compensation and reimbursement of expenses not more often than
6 every 120 days. Given the demanding pace and scope of services required in larger Chapter 11
7 cases, courts routinely establish procedures pursuant to which professionals may receive some
8 compensation, and have their expenses reimbursed, on a monthly basis. Such procedures allow
9 debtors, trustees and interested parties to better monitor professionals' fees on an ongoing basis,
10 allow estates to maintain a more level cash flow, and promote efficient cash management. Such
11 procedures also mitigate the burden on trustees and professionals who otherwise are required to
12 wait an extended period of time to receive payment for their valuable services. For these reasons,
13 and especially so that he can better monitor the estate's cash flow, the Trustee is requesting that the
14 Court establish such procedures in this case for fees and expenses incurred by the Trustee and his
15 professionals from October 21, 2019.

II.

STATEMENT OF FACTS

19 | A. BANKRUPTCY BACKGROUND

20 On July 25, 2019 (the “Petition Date”), HVI Cat Canyon, Inc. (the “Debtor”), filed a
21 voluntary petition for relief under chapter 11 of title 11 of the United States Code (the “Code”).
22 Initially, the Debtor continued to operate its business as debtor in possession of the estate,
23 exercising the rights and powers of a trustee. *See* 11 U.S.C. § 1107(a).

24 On or about August 9, 2019, the U.S. Trustee established an official committee of
25 unsecured creditors (the “Committee”).

26 On or about October 16, 2019, the Court entered an order directing the Office of the United
27 States Trustee to appoint a Chapter 11 trustee. Michael A. McConnell accepted appointment as
28 the Chapter 11 trustee (the “Trustee”), and the Court entered an order approving his appointment.

1 **B. THE TRUSTEE AND PROFESSIONALS TO BE EMPLOYED BY THE TRUSTEE**

2 **1. The Debtor's Employment of General Bankruptcy Counsel**

3 On or about November 11, 2019, the Trustee filed an *Application by Debtor in Possession*
4 *for Authority to Employ Danning, Gill, Israel & Krasnoff, LLP as General Bankruptcy Counsel*
5 (the "Danning-Gill Employment Application) (*docket no. 494*). The Trustee seeks authority to
6 employ Danning, Gill, Israel & Krasnoff, LLP ("Danning-Gill") pursuant to § 327 of the Code and
7 pay Danning-Gill monthly.

8

9 **2. The Debtor's Application for Authority to Employ an Accountant**

10 On or about November 11, 2019, the Trustee filed an *Application by Trustee for Authority*
11 *to Employ CR3, LLC as his exclusive restructuring/financial advisor* (*docket no. 495*). The Trustee
12 seeks authority to employ CR3, LLC ("CR3") pursuant to § 327 of the Code and pay CR3
13 monthly.

14

15 **3. The Trustee and His Staff**

16 Pursuant to § 326(a) of the Code, the Trustee is entitled to reasonable compensation for his
17 services, in an amount not to exceed the amount determined in accordance with the fee schedule set
18 forth in § 326(a). The Trustee will charge the estate for his and his staff's services on an hourly-fee
19 basis, subject to the statutory cap on compensation. In awarding the Trustee compensation, the
20 Court will consider all relevant factors. See 11 U.S.C. § 330(a)(3). The Trustee will also request
21 reimbursement of expenses.

22

23 **4. The Committee Retains Counsel**

24 On or about September 20, 2019, the Committee filed an application to employ general
25 counsel (*docket no. 214*). The hearing thereon is set for November 12, 2019, at 11:00 a.m.

26 *///*

27 *///*

28 *///*

1 **5. The Trustee's Anticipated Application for Authority to Employ An**
2 **Accountant**

3 The Trustee anticipates that he will be filing an application for authority to an accountant
4 for the purpose of providing general tax advice and preparing the estate's income tax returns. The
5 accountant will seek compensation on an hourly-fee basis pursuant to §§ 330 and 331 of the Code.

6 **6. The Trustee's Anticipated Employment of Other Professionals**

7 From time to time, the Trustee may determine that it is necessary or appropriate to hire
8 other or additional professionals to represent or counsel the Trustee in matters involving the estate.
9 The Trustee's employment of such professionals will, of course, be subject to Court approval and
10 their compensation and reimbursement of expenses will be subject to the Court-approved terms of
11 their employment.

12 **7. Monthly Reserves are Established by the Cash Collateral Budget**

13 UBS, LLC ("UBS") holds the first lien on all of the Debtor's assets in this case. Pursuant to
14 the budget filed on or about November 7, 2019 (*docket no. 474*), UBS has loaned money to the
15 debtor and agreed to payments into a monthly reserve for the Trustee and his professionals, and for
16 counsel for the Committee. The Trustee is only proposing monthly payments in this case to the
17 extent of funds carved-out by the lender and designated for that purpose, or free and clear funds, if
18 any.

19 **III.**

20 **PROPOSED PROCEDURES**

21 The Trustee is requesting that the Court approve the following procedures providing for
22 monthly interim payments of compensation and reimbursement of actual expenses incurred by the
23 Trustee and the estate's professionals, and counsel for the Committee:

24 **1. Optional Procedure.** These procedures are optional and need only be followed if a
25 professional is seeking monthly compensation. If the Trustee determines that, for any reason, it

1 would be imprudent to make the payments permitted under this procedure, the Trustee may defer
2 making payments to professionals until such time that payments are ordered to be made by the
3 Court in connection with noticed fee applications.

4 2. Scope. These procedures apply only to requests for payment of fees and expenses
5 incurred from October 21, 2019. Requests for allowance and payment of fees and expenses
6 incurred prior to October 21, 2019, must be sought in accordance with §§ 330 and 331 of the Code,
7 and applicable federal and local bankruptcy rules.

8 3. **Professionals Entitled to Seek Payments Pursuant to These Procedures.** The
9 following professionals may request payment of compensation and expenses in accordance with
10 these procedures:

11 (a) the Trustee;

12 (b) Danning-Gill (the Trustee's general bankruptcy counsel);

13 (c) CR3 Partners, LLC (the Trustee's restructuring/financial advisor);

14 (d) the Trustee's accountant;

15 (e) professionals employed in the future by the Trustee, with respect to which

16 the Court's order approving such employment authorizes the professional to seek compensation

17 and reimbursement of expenses pursuant to these procedures; and

18 (f) Counsel for the Committee.

19 4. **Professionals Not Entitled to Seek Compensation and Reimbursement of**
20 **Expenses Pursuant to These Procedures.** The following professionals may *not* request payment
21 of compensation and reimbursement of expenses in accordance with these procedures:

22 (a) Weltman & Moskowitz, LLP (the Debtor-in-Possession's former 's general
23 bankruptcy counsel);

24 (b) Conway & Gibson, LLP (former financial advisors to Committee); and

25 (b) professionals employed "pursuant to 11 U.S.C. § 328."¹

²⁷ ¹ LBR 2014-1 provides that an application seeking approval of employment of a professional “must specify ambiguously whether the professional seeks compensation pursuant to 11 U.S.C. § 328 or

²⁸ (footnote continued...)

1 5. **Deadline for Filing and Serving Monthly Statements.** On or before the 20th day
2 of each month following the month for which compensation and reimbursement of expenses is
3 sought, each professional seeking fees and reimbursement of expenses from the estate must file and
4 serve a monthly statement with the Court. The Statement shall be served on

5 6. **Contents.** Each monthly statement must include the following information:

6 (a) the total amount of fees for which compensation is sought;
7 (b) the total amount of expenses for which reimbursement is sought;
8 (c) the names, hourly rates, total number of hours billed, and total amount of
9 fees incurred by each individual providing services for which compensation is sought;
10 (d) a detailed listing of all time spent by the professional on matters for which
11 compensation is sought;² and
12 (e) a summary listing of all expenses, by category (e.g., photocopy costs,
13 facsimile charges, travel, messenger and computer research), for which reimbursement is sought.

14 7. **Objections.** Any objection to a monthly statement must be filed no later than 14
15 days after the date on which the monthly statement is filed (the “Objection Deadline”). The
16 objection must (a) be in writing, (b) set forth the precise nature of the objection, the grounds
17 therefore, and the amount of fees and/or expenses to which the objection applies, and (c) be filed
18 with the Court and served on the professional so that it is received by the professional on or before
19 the Objection Deadline. A “blanket” or general objection to a monthly statement will be deemed to
20 be a nullity and will not trigger the provisions of paragraph 9 below. A “joinder” to an objection
21 will also be deemed a nullity if the joinder is not filed and served on or before the Objection Date.

22 8. **Interim Payment Authorized if No Objection.** If no timely objection is filed with
23 respect to a monthly statement, the Trustee may pay the professional 80% of the fees and expenses

24
25 (continued)

26 11 U.S.C. § 330.” Generally, in local practice, professionals employed “pursuant to § 328” are
27 those entitled to compensation on a fixed- or percentage-fee basis, and professionals employed
28 “pursuant to § 330” are those entitled to compensation on an hourly-fee basis.

² See LBR 2016-1(a)(1)(E).

1 for which payment was sought. Such payments will be made on an interim basis and will be
2 subject to the filing of interim and final fee applications.

3 9. **Procedure If Objection Is Filed.** If a timely objection is filed with respect to a
4 monthly statement, the objecting party and the applicable professional may attempt to resolve the
5 objection on a consensual basis. If the parties do not reach a consensual resolution of the objection,
6 the professional may either (a) set the matter for hearing on at least 14 days' notice to the objecting
7 party, or (b) forego payment of the disputed amount and seek approval of such disputed amount in
8 connection with its next interim, or final, fee application.

9 10. **Interim Payment of Amounts to Which No Objection is Made.** Pending
10 resolution of any timely objection, the Trustee may pay the professional the lesser of (a) 80% of the
11 fees and 100% of the expenses requested in the monthly statement, and (b) the aggregate amount of
12 fees and expenses requested in the monthly statement as to which no timely objection was made.

13 11. **Fee Applications Required.** In accordance with § 331 and applicable rules and
14 guidelines, each professional will file and serve (in accordance with the Bankruptcy Code and
15 federal and local rules) an application for Court approval of interim compensation (including the
16 20% held back pursuant to paragraphs 9 and 10 above) and reimbursement of expenses not less
17 frequently than every 120 days. Any professional who fails to file an application for interim
18 compensation when due will be ineligible to receive further monthly payments of fees and
19 expenses pursuant to the filing of monthly statements as provided above, until such professional
20 submits an application for interim compensation which is then ruled upon by the Court.

21 12. **Effect of Objection on Future Fee Requests.** The pendency of an objection to
22 payment of compensation or expenses requested by a professional in a particular monthly statement
23 or interim fee application will not prevent such professional from receiving payment of fees and
24 expenses pursuant to future monthly statements served in accordance with these procedures, except
25 as otherwise ordered by the Court.

26 13. **No Waiver of Objections.** Neither the payment of, nor the failure of any party to
27 object to, fees and expenses requested in a monthly statement will in any way act as a waiver of the
28 right to later object to such fees and expenses, or otherwise bind any party or the Court with respect

1 to the subsequent consideration of the interim or final allowance of fees and expenses of any
2 professional.

4 **IV.**

5

ARGUMENT

6 **A. THE PROPOSED INTERIM FEE PROCEDURE SHOULD BE APPROVED**

7 Section 331 of the Code provides for the payment of interim compensation to professionals
8 retained by trustees, debtors in possession, and official committees. In enacting this and related
9 provisions, Congress adopted the principle that “[p]rofessionals in bankruptcy cases are entitled to
10 be paid on a comparable basis to other privately retained counsel, both in terms of timeliness and
11 amount of payment.” *In re Commercial Consortium of Cal.*, 135 B.R. 120, 123 (Bankr. C.D. Cal.
12 1991) (citing *Burgess v. Klenske (In re Monoa Fin. Co., Inc.)*, 853 F.2d 687, 690 (9th Cir. 1988));
13 *In re Nucorp Energy, Inc.*, 764 F.2d 655, 658-59 (9th Cir. 1985); *First Nat'l Bank of Chicago v.*
14 *Comm. of Creditors Holding Unsecured Claims (In re Powerine Oil Co.)*, 71 B.R. 767, 770 (9th
15 Cir. BAP 1986).

16 The Bankruptcy Appellate Panel for the Ninth Circuit has recognized that interim payments
17 for professionals on a monthly basis are appropriate in large cases. *See U.S. Trustee v. Knudsen*
18 *Corp. (In re Knudsen Corp.)*, 84 B.R. 668 (B.A.P. 9th Cir. 1988). In *Knudsen*, the BAP observed
19 that

20 the problem, arising especially in large cases, is that when counsel
21 must wait an extended period for payment, counsel is essentially
22 compelled to finance the reorganization. This result is improper and
23 may discourage qualified practitioners from participating in
bankruptcy cases; a result that is clearly contrary to Congressional
intent.

24 *Id.* at 672. Monthly payments to professionals may be appropriate without prior court approval so
25 long as they are made pursuant to a procedure that provides the opportunity for subsequent review
26 by the court. *Id.* at 671-72. The procedure proposed in this motion provides ample opportunity for
27 such review.

28 / / /

1 Furthermore, in *Knudsen* the BAP identified four factors a court may consider when
2 determining whether to adopt procedures such as those proposed by the Trustee in this case: (1) the
3 case is an unusually large one in which an exceptionally large amount of fees accrue each month;
4 (2) the court is satisfied that waiting an extended period of time for payment will place an undue
5 hardship on professionals; (3) the court is satisfied that the professionals will be able to respond to
6 any subsequent reassessment of fees paid pursuant to the procedures; and (4) the procedures are the
7 subject of a noticed hearing prior to any payment thereunder. *Id.* at 672-73.

8 First, although this case is not the size of *Enron* or *Kmart*, it is sufficiently large to warrant
9 the approval of procedures outlined above. The Trustee and his staff, as well as his professionals,
10 are providing significant services to the estate, and advancing significant costs, and are expected to
11 do so going forward until the Debtor's business is sold or may be reorganized with a Chapter 11
12 plan confirmed. Second, the Trustee, his attorneys, and his restructuring/financial advisor did not
13 receive any retainers upon their appointment or retention; as such, requiring the affected
14 professionals to delay their receipt of potentially substantial sums will cause them to suffer an
15 unreasonable and unnecessary hardship. Third, the proposed procedure provides for a 20% fee
16 holdback (one of the methods suggested by the BAP in *Knudsen*) to ensure that each affected
17 professional will be able to address any reassessment of fees or costs paid prior to interim or final
18 allowance. Fourth, the proposed fee procedure is the subject of a noticed motion and a hearing, to
19 be heard before the Trustee makes any payments pursuant thereto.

20 ///

21 ///

22 ///

23 ///

24 ///

25 ///

26 ///

27 ///

28 ///

1 Although not expressly identified by the BAP in *Knudsen*, there are at least two other
2 factors warranting approval of the Trustee's proposed procedures. First, Court has approved a
3 borrowing proposal from UBS that includes a carve-out for professionals. The budget is attached
4 as Exhibit "1" and incorporated herein by this reference. It is anticipated that future budgets will
5 similarly provide reserves for professionals. Because those funds are specifically set aside for the
6 Trustee and his professionals, and Committee counsel, neither the debtor's business nor creditors
7 will be prejudiced in any way. Second, paying the Trustee and professionals on a monthly basis
8 will allow the Trustee to better monitor the fees and costs being incurred by the estate, and manage
9 the estate's monthly cash flow to help ensure that the estate is administered as efficiently as
10 possible.

11

12

V.

13

CONCLUSION

14 For the foregoing reasons, the Trustee requests that the Court enter an order (1) establishing
15 a procedure for monthly payments of compensation and reimbursement of expenses incurred by the
16 Trustee and his professionals, and counsel for the Committee, from October 21, 2019, and
17 (2) authorizing the Trustee to pay 80% of such fees and costs in accord with the procedures above.
18 The Trustee also requests such further relief as the Court deems just and proper.

DECLARATION OF MICHAEL A. MCCONNELL

I, Michael A. McConnell , declare and state as follows:

1. I am the Chapter 11 trustee of the estate of HVI Cat Canyon, Inc. (the “Debtor”).

2. I have personal knowledge of the facts in this declaration and, if called as a witness, testify competently to these facts.

3. This declaration is offered in support of the foregoing motion for an order

(1) establishing procedures for the payment of interim compensation and reimbursement of expenses, and (2) authorizing me to pay such fees and costs on a monthly basis (the "Motion")

which I have read.

4. Thus far, I have employed, or are in the process of employing, or intend to seek

authority to employ the following: Danning, Gill, Israel & Krasnoff, LLP, as my general counsel and CR3, LLP as my restructuring/financial advisor and an accountant for the purpose of providing

general tax advice and preparing the estate's income tax returns. I anticipate that I may determine that it is necessary or appropriate to hire other or additional professionals to represent or counsel

me in matters involving the estate. Because of the number of professionals required, and the scope of services that will require be provided by them, I anticipate that the estate will incur substantial

professional fees and costs.

5. For the reasons set forth in the Motion, I am requesting that the Court approve my proposed procedures for monthly interim payments of compensation and reimbursement of actual

expenses incurred by me and my professionals, and counsel for the Committee. I understand that such procedures are often utilized in large bankruptcy cases in which professionals will be required

to incur substantial fees and expenses, and where the non-payment of fees and expenses on a monthly basis will cause a hardship to professionals. I believe that this is such a case.

6. UBS, LLC (“UBS”) holds the first lien on all of the Debtor’s assets in this case. Pursuant to the budget filed on or about November 7, 2019 (docket no. 474), UBS has loaned me money and agreed to payments into a monthly reserve for the Trustee and his professionals, and for

1 counsel for the Committee. I am only proposing monthly payments in this case to the extent of
2 funds carved-out by the lender and designated for that purpose, or free and clear funds, if any.

3 7. I also strongly believe that it is appropriate to adopt the procedures proposed in the
4 Motion so that I can better monitor the professional fees and costs being incurred by the estate, and
5 manage the estate's monthly cash flow. I believe this will assist me in ensuring that the estate is
6 administered as efficiently as possible.

7 8. I am requesting to be paid monthly, on an interim basis, based upon 80% of my
8 hourly rate of \$650/hour, plus expenses, the same as my professionals. I believe that payments on
9 account of fees under this framework will be less than the statutory cap provided in 11 U.S.C. §
10 326, but I understand that ultimately my compensation will be based upon disbursements pursuant
11 to section 326. The proposed budget with UBS provides for \$25k per week for fees and expenses
12 of the Trustee. I will follow the same procedures as other professionals to seek monthly payments
13 by Professional Fee Statement.

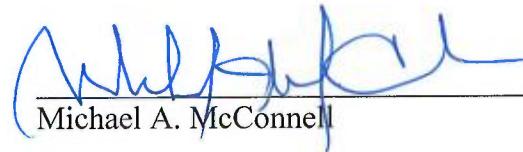

14

15 I declare under penalty of perjury under the laws of the United States of America that the
16 foregoing is true and correct.
